

Financial Consultation

Everyone has financial concerns from time to time

PAS financial coaches provide consultation on a wide variety of matters that can help you assess your financial situation, develop a plan and find the best course of action.

PAS financial coaches help you with financial matters including:

- Cash flow and budget planning
- Debt reduction and credit management
- Mortgage financing and foreclosure prevention
- Financial planning priorities (savings, retirement, eldercare, education)
- Bankruptcy prevention
- Changes in finances due to death, disability or divorce
- Insurance
- Estate planning and asset protection

*Financial Consultation Services are
provided through your
Employee Assistance Program*
